**2. Acceptance.** Vendor's acceptance of this Order is hereby expressly limited to the terms of this Order and shipment of any part of the goods covered hereunder shall be deemed to constitute such acceptance and a contract shall be formed. If this Order constitutes an acceptance of an offer, such acceptance is expressly made conditional on Vendor's assent to the terms of this Order and shipment of any part of the goods covered hereunder shall be deemed to constitute such assent. Buyer reserves the right to change or modify these terms and conditions from time to time. In continuing to provide goods to Buyer or any Affiliate of Buyer, Vendor agrees to any such changes and/or modifications to these terms and conditions. Except as expressly set forth in the purchase order associated with this Order that is signed by an authorized representative of Buyer, Buyer shall not be obligated to purchase any minimum quantities of goods or be required to purchase any goods exclusively from Vendor.

**3. Quality; Warranties.** In addition to all warranties expressed or implied at law, Vendor warrants that all goods delivered pursuant hereto will: (a) be merchantable; (b) free from defects, including latent defects, in workmanship or material; (c) conform strictly to the specifications, drawings, sample or other description specified herein or furnished herewith; (d) be fit for the uses and purposes intended; (e) be manufactured and packed for shipment in accordance with, and marked with all information required by, applicable law, regulation or other governing authority; and (f) have been stored under proper conditions to preserve the quality of the goods. Vendor further warrants that the delivery of goods hereunder shall not violate or breach any agreement that Vendor may have with any other person or entity. Vendor further warrants that it will have title to all of the goods furnished hereunder and the right to sell such goods at the time of delivery to Buyer free of any liens or encumbrances and that all such goods shall be new and unused (unless otherwise specified in the Order) at the time of delivery to the Buyer. All warranties shall survive any intermediate or final inspections, testing, delivery, acceptance or payment by Buyer. Repairs or replacements shall be made promptly by Vendor when the goods are defective, without cost to Buyer, if Buyer notifies Vendor of the defect under Section 5 hereof. In the event of failure of Vendor to correct defects in or replace nonconforming goods promptly, Buyer, after reasonable notice to Vendor, may make such corrections or replace such goods and charge Vendor for the cost incurred in doing so. Vendor recognizes that Buyer's production requirements may require immediate repairs or reworking of defective goods, without notice to Vendor. In such event, Vendor shall reimburse Buyer for the cost, delays, or other damages which Buyer has incurred. Vendor will assign to Buyer all assignable rights against suppliers, manufacturers or other providers of goods supplied to Buyer by Vendor under any warranties and indemnities Vendor

receives from such suppliers, manufacturers or other providers, and Vendor agrees to cooperate with Buyer in the enforcement of any such warranties or indemnities.

**4. Delays; Title and Risk of Loss; Force Majeure.** Time is of the essence hereof. If any goods are not delivered within the time specified in this Order, Buyer in addition to other remedies provided by law, may either (a) refuse to accept such goods and cancel this Order without liability, (b) cause Vendor to ship the goods by the most expeditious means of transportation with Vendor responsible for any additional transportation charges, or (c) purchase such goods elsewhere and hold Vendor liable for any additional loss, cost, damage or expense incurred thereby. Title to all goods shall pass to Buyer upon the earlier of payment for the goods or delivery to Buyer at its location specified in the purchase order. Unless otherwise stated in the purchase order, Vendor shall bear all risk of loss, damage or destruction until title passes to Buyer. Neither Buyer nor Vendor shall be liable for delays in delivery or failure to manufacture, deliver or accept goods due to acts of God, acts of civil or military authorities, Governmental priorities, fires, strikes, floods, epidemics, war, terrorist acts or threats of terrorist acts or riot, which such party could not have reasonably foreseen and provided against and provided that the cause for the delay is reported in writing to the other party within seven (7) days from the commencement of such delay, and provided that the foregoing shall not limit Buyer's rights as set forth herein upon failure of goods to be timely delivered.

**5. Inspection.** After receipt of the goods Buyer shall have a reasonable time, but not less than seven (7) days, in which to inspect, test and accept or reject the goods, and payment shall not constitute acceptance. Any goods that are not accepted by Buyer shall be returned to Vendor at Vendor's sole cost and expense. If Vendor fails to accept goods returned by Buyer, then Buyer shall have the right to dispose of such goods by any means. Buyer's failure to inspect, accept, reject or detect defects by inspection shall neither relieve Vendor from responsibility for such goods that are not in accordance with the terms of this Order nor impose liabilities on Buyer. Vendor agrees to ensure that billings reflect all shortages, damaged and rejected goods such that Buyer receives proper credit therefore.

**6. Infringement.** Vendor warrants that the use or resale of the goods furnished hereunder will not infringe any patent, trademark, copyright or other intellectual property rights or constitute the unlawful appropriation of a trade secret. Vendor shall protect and indemnify Buyer, its Affiliates and its and their customers from and against claims, damages, judgments, expenses and loss arising from infringement or alleged infringement of any intellectual property rights in connection with the goods delivered hereunder and Vendor shall defend or settle at its own expense any suit or proceeding brought against such indemnitees for such infringement.
